

Jung Typology Instructions

The Jung Typology Test was developed by Carl Jung and Isabel Briggs Myers. It is designed to help you identify your personality type and list of occupations suitable to your personality type.

Step:

1. Please complete the survey at the link shown below. It will take approximately 3-5 minutes to complete the survey.
<http://www.humanmetrics.com/cgi-win/JTypes2.asp>
2. After completing the survey, click "Score It." The **Sample Results** shown below gives an idea of what your results should look like. Please use your survey results to complete the following information:
 - a. Your Personality Type: _____
 - b. Strength of Preferences %: _____
 - c. Type Description: Please circle or underline one of the following:
 - i. Guardian, Rational, Idealist, Artist
 - d. After completing the profile, return to:
